

Call for Participants: EMILYO Erasmus Program at the Hellenic Army Academy

Dear Students,

I am pleased to announce an exciting opportunity for undergraduate and postgraduate students to participate in **EMILYO Erasmus** modules at **the Hellenic Military Academy**. As the Director of the War Theory and Analysis Sector and Professor of Geopolitics and Modern Military Technologies, I am thrilled to extend this invitation to you.

The **EMILYO Erasmus** program offers a unique chance for students to immerse themselves in specialized topics within the realm of military studies. This year, for the first time, the Hellenic Military Academy will be hosting these modules as part of the International Spring Semester framework:

1. **Common Module on Law of Armed Conflict** Date: 15th to 19th April 2024
2. **Common Module on Electronic Warfare** Date: 8th to 12th April 2024
3. **Common Module on Cyber Security** Date: 27th to 31st May 2024

This unique opportunity allows undergraduate and postgraduate students to immerse themselves in intensive learning experiences, led by experts in their respective fields at the prestigious Hellenic Military Academy.

How to Apply:

Interested students can apply by visiting our official EMILYO Erasmus page [here](#). Be sure to check out our LinkedIn page [here](#) for more information.

Eligibility:

- Undergraduate and postgraduate students from accredited institutions worldwide are welcome to apply.
- Proficiency in English is required, as all modules will be conducted in English.

Benefits:

- Gain insight into crucial aspects of Law of Armed Conflict, Electronic Warfare, and Cyber Security from leading experts.
- Network with peers and professionals from diverse backgrounds.
- Experience Greek culture and hospitality at the esteemed Hellenic Army Academy.

Don't miss out on this incredible opportunity to enhance your academic journey and expand your knowledge in these vital fields. Apply now and embark on an enriching educational experience with the EMILYO Erasmus program at the Hellenic Army Academy!

For further inquiries, please contact:

PhD Candidate Ms Niki Mousadakou [nmousadakou@turkmas.uoa.gr] or

Mr Anastasios Seferiadis [aseferiadis@turkmas.uoa.gr] – POC (Institution's Point of Contact)

Please keep in mind the deadlines for applications

Note: Dates and details subject to change. Please refer to the official EMILYO Erasmus page for the most up-to-date information.

Best regards,

Dr. Konstantinos Grivas

Professor of Geopolitics and Modern Military Technologies

Director of War Theory and Analysis Sector

Hellenic Military Academy
