#TürkiyeScholarships2025

Türkiye Scholarships 2025 applications are now open!

Türkiye Scholarships program offered by the Republic of Türkiye provides scholarship opportunities for international students. This program, which attracts talent from more than 160 countries, currently enables approximately 15,000 students to study at prestigious Turkish universities. In addition to providing students with comprehensive supports such as flight tickets, accommodation, health insurance, Turkish language courses and monthly stipend and free academic programs, it also connects students to the Türkiye Alumni network, which has more than 150 thousand members globally. Türkiye Scholarships, which attracted great attention by receiving over 121 thousand applications from 170 countries in 2024, continues its determination to empower international students and provide them with the necessary support to build a hopeful future.

We are pleased to announce that applications for Türkiye Scholarships 2025 are open between **January 10 – February 20, 2025**. We kindly ask you to inform your students who want to study for an associate degree, **undergraduate degree, master's degree or doctorate degree**. Recommending our scholarship program to your students will not only encourage international educational mobility; it will also make a significant contribution to our common future.
